

WHAT WE'RE DOING

Safeguarding the Future of Collision Repair

Collision Repair magazine's **EV Repair Tour**, supported by Fix Network, is an innovative tour across Canada, designed to educate and engage professionals and provide a platform for the latest advancements and developments in EV repair.

Each event will educate collision repair shopowners, manufacturers, insurers, and all verticals of the industry on what the near-future will bring with the essential knowledge and skills required to repair EVs.

We're empowering the collision repair community towards a bright EV future!

IT'S GOING TO BE ELECTRIC!

Come with us on a collision repair journey
